

Pet Dog School Restructuring and Price Increases

Starting 1st April 2021

Same amazing service – Improved internal systems – More time to spend with our beloved dogs

We are implementing a few changes at Pet Dog School we trust they do not cause too much disruption to our clients.

- 1) We are streamlining our software to make logging and consolidating your payments easier and less time consuming for us.

What this means to you; As well as providing us with more time each day to train, play and take photos of your beloved dogs...

We are creating two new separate accounts for Grooming and Homestay payments from 1st April 2021

Grooming fees should be paid to; **12 - 3163 - 0122428 - 52** (last 2 digits are new)

Homestay fees should be paid to; **12 - 3163 - 0122428 - 53** (last 2 digits are new)

Ref: Please continue to use your **Ref' Number** and **Dogs Name** and **Date of Service** being paid for

We have decided that Daycare fees should remain the same – Yay!

2) Increase in Fees **Effective from 1st April 2021**

Grooming fees will be increasing \$5 per groom.

Homestay fees will increase to;

Up to 6 nights	\$40 per night
7 nights and over	\$38 per night
2 dogs staying together	\$70 per night

Already booked in for a homestay ? If your dog or dogs are already booked in to stay while you are away, even if that is AFTER 1st April, then the old fees will apply for the duration of their stay.

Taxi - 1 way \$10 per trip

Thank you in anticipation - Your continued support is very, very much appreciated.

Warm regards Sarah and your team.
