

Pet Dog School Doggy Daycare

Whanganui's School for Dogs

The Good News

Pet Dog School has so much to be thankful for – and the biggest thing is the support of all our fantastic clients, new, newish and ever-so-old. You have supported us during more than a decade of service to Whanganui, staff changes, and Covid (The Original and Part 2) and because of you, Pet Dog School continues to go from strength to strength.

The Bad News

After 11 years in business we have finally had to concede that we must put up our daycare prices.

The Good News

It will still only cost as little as \$3.45 an hour for a full day and \$4.24 for a half day and our services remain unsurpassed. You will still have access to free training tips and behavioural advice, nail, face and bottom trims and support in the caring of your wonderful dogs. Your dogs will still be loved and cared for by a diploma'd vet nurse, a top national dog trainer and animal technician and a behavioural trainer with almost 40 years experience, plus trained daycare assistants committed to loving your dog as much as you do.

The News

Daily rates, including payments by invoice, will increase on Friday 1st April 2022 to;

Full day \$38 per day
Half day \$28 per day

The Good News

We don't want to increase our prices any more than you want us to, so to ease us all into it we are offering the following:

- **Existing concession cards will remain valid until they are used up, of course.**
- **New concession cards can be bought at the current rate (\$350 for 11 full day visits and \$250 for 11 half day visit) until Saturday 30th April 2022.**

Please pick up a copy of the ways to pay and how we can continue to help you save while still letting your best friend have fun at daycare and you can continue to enjoy all the superb services we provide. **THANK YOU** again for your wonderful and continued support.
